

## Dulux Trade Scuffshield Matt

### About this product

Dulux Trade Scuffshield Matt is a tough, water-based Matt emulsion paint that contains ultimate scuff resistant technology. It is designed to protect walls against scuff marks being left behind from items such as shoes and bags, to help keep walls looking good for longer. It is also cleanable and offers good stain resistance. Dulux Trade Scuffshield Matt is perfect for use in high traffic areas

such as corridors, stairwells and hallways, and busy commercial spaces.

## **Pack size**

5L

## **Application Method**

Application: Brush, roller or spray.

STIR THOROUGHLY BEFORE USE. Seal new or bare surfaces with a coat of Dulux Trade Dry Wall Primer Sealer (whites and light colours) or a thinned first coat of Dulux Trade Vinyl Matt (up to 1 part clean water to 5 parts paint). The normal finishing process is 2 coats of Dulux Trade Scuff Shield Matt, however for significant colour change additional coats may be required.

For best colour consistency, purchase sufficient tinted paint for each job including touch-in from the same source.
