

Dulux Trade Diamond Eggshell

RAW CASHMERE

About this product

Dulux Trade Diamond Eggshell is a tough and cleanable emulsion with a smooth, even mid sheen finish. Magnolia and Tinting Bases contain Anti-Fade Technology to protect colour pigment from damage for truly long lasting colour and beautiful results. It's perfect for busy environments that require frequent cleaning as it contains unique Stain Repellent Technology, preventing stains from setting in to

the surface and making cleaning up easier. It also protects against common scuffs and achieves Class 1 ISO 11998 and Type C BS 7719 scrub ratings, meaning walls withstand daily wear and tear and the finished job looks freshly painted for longer. Dulux Trade Diamond Eggshell can be used over surfaces previously decorated with solvent-based paints, providing proper surface preparation is carried out. Suitable for interior use on plaster, masonry and wood.

Key Benefits

- ✓ Scrub, scuff and stain resistant
