

Dulux Trade Vinyl Silk

About this product

Dulux Trade Vinyl Silk is a top quality washable emulsion based on unique AkzoNobel technology, providing a tough, mid-sheen finish. Where condensation is a problem, for example some kitchens and bathrooms, use Dulux Trade Diamond Eggshell. Suitable for all normal interior wall and ceiling surfaces.

Key Benefits

1L, 2.5L, 5L, 10L

Application Method

Application : Brush,roller or spray. STIR THOROUGHLY BEFORE USE. Seal new or bare surfaces with a thinned first coat of Dulux Trade Vinyl Silk (up to 1 part clean water to 5 parts paint). The normal finishing process is 2 full coats of Dulux Trade Vinyl Silk, but on previously painted surfaces in good condition where similar colours are used, 1 coat may be sufficient. For best colour consistency, purchase sufficient tinted paint for each job at one time from the same source.
