Application Method

Application: Apply by brush, roller or spray. For best results use a good quality synthetic (nylon polyester) brush or a short pile synthetic/mohair roller designed for the application of water-based paints. **STIR THOROUGHLY BEFORE USE.** Apply 1 or 2 coats of Dulux Trade Quick Dry Undercoat , as required, followed by 1 or 2 coats of Dulux Trade Quick Dry Gloss. Where a strong colour change is involved, 2 coats will be required. Newly painted doors and windows should not be closed (tightly) until the paint is fully dry.
