**Composition**

Water-based

**Key Benefits**

High gloss finish, Longer lasting whiteness, Tough, durable finish, Water-based

**Colour Range**

Pack size
1L, 2.5L, 5L

Application Method

Application: Brush, roller or spray. For best results use a good quality synthetic (nylon polyester) brush, designed for use with water-based paints. STIR THOROUGHLY BEFORE USE. Apply 1 or 2 coats of Dulux Trade Quick Dry Undercoat as required, followed by 1 or 2 coats of Dulux Trade Quick Dry Gloss. Where a strong colour change is involved 3 coats will be required. Newly painted doors and windows should not be closed (tightly) until the paint is fully dry.
