**Pack size**

1L, 2.5L, 5L

## Application Method

Application: Brush, roller or spray. For best results use a good quality synthetic (nylon polyester) brush, designed for use with water-based paints. **STIR THOROUGHLY BEFORE USE.** Apply 1 or 2 coats of Dulux Trade Quick Dry Undercoat as required, followed by 1 or 2 coats of Dulux Trade Quick Dry Gloss. Where a strong colour change is involved 3 coats will be required. Newly painted doors and windows should not be closed (tightly) until the paint is fully dry.
